The National Shrine of Our Lady of Good Help

When you order a memorial brick you are supporting the National Shrine of Our Lady of Good Help.

A memorial brick is a great way to commemorate a special occasion, or honor or remember a loved one. A personalized brick will become part of the outdoor Stations of the Cross walkway or will be placed in front of the Apparition Grotto, located in front of Mother of Mercy Hall.

For an additional donation, you can order a garden stake with your personalized message engraved on it for your garden.

Before your brick is placed on the grounds the Shrine will hold a Brick Blessing Ceremony. You will receive an invitation when the ceremony for your brick is scheduled.

Memorial Brick Program
